*A practical Study Guide
Series 1 Session 1*

Welcome to our "WORKBOOKS."

You will see that these sessions are divided into shorter segments, so that you can turn to your workbooks, while the information is still fresh in your mind. These workbooks will begin in a simple fashion, but as each segment goes by, then they will become more complex. The format will be kept simple a yes or no answer. You may be given a chance to tick an answer between several different results. If the setting of this study allows, you can form a group or help one another with the answers. The workbooks should be yours to keep.
