(To be equitable, all English speaking persons must be judged by the same criteria)

**One Judge, One Court & One Law for all**

The concept that the King James Bible is a legal document is very important. It is by the standard of the King James Bible that we will all be judged.

The King James Bible is not only the word of God but that word is designed to build our faith so that we can obey and then that Word of God is designed to be the means of our final judgment.

Can you see why the King James Bible needs to be so precise over such a long period of time? YES/NO

# Chapter 2

<p>Slide 1</p>	<p><b>The Adventure of the King James Bible</b></p> <p>Begins with discovering the deliberate built-in design to discover for yourself the Bible's own meanings</p>	<p>· · THIS IS DO-IT-YOURSELF TIME! ARE YOU READY YES / NO</p> <p>D.I.Y. is thought to be a very modern concept, the God intended the King James Bible to be exactly that. Of course we need the help of the Holy Spirit, a clean heart, and willing mind and a humble spirit.</p> <p>1 You need faith to believe that the King James Bible is the Word of God. Do you know that your faith in this matter is growing? YES/NO</p>
<p>Slide 2</p>	<p><b>Our Adventure needs some preparation</b></p> <p>Do we want to be "Holy"?</p>	<p>· · Holiness, this is the point.</p> <p>Do you want to be as holy as God can make you? YES/NO</p> <p>2</p>
<p>Slide 3</p>	<p><b>[KJV] [Isaiah 35:8]</b></p> <p>And an highway shall be there, and a way, and it shall be called The way of holiness; the unclean shall not pass over it; but it shall be for those: the wayfaring men, though fools, shall not err therein.</p>	<p>· · This is the highway of holiness.</p> <p>Do you want to travel on this highway of holiness? YES/NO</p> <p>3</p>

**THOUGH FOOLS**

You may be unlearned & somewhat of a fool BUT never fear you WILL NOT be lead astray!

Do not draw back simply because you feel that you are unlearned or that you have never been taught.

It is having the right type of education that counts and after all God our father is the best teacher.

Do you think that you can trust God himself to teach you? YES/NO

**Our task in this DVD is**

“Looking for the King James Bible own in-built dictionary”

By this we mean that any word that you come across in the King James Bible you will be able to find the definition and the meaning of that word somewhere else within the King James Bible.

Can you see the importance of being able to do this? YES/NO

**Might this built-in dictionary**

be correct, even when Strong's, Vine's, or Webster's are wrong?

How do you answer those who want to 'update' some of the King James Bible words?

The King James Bible has its own built-in dictionary and so you do not need any other reference work to find out what the Bible means.

You will need to develop some skills in order to demonstrate this for yourself but once you understand how to use your skills you will always know what God meant.

Is this what you want for yourself? YES/NO

### Can we change

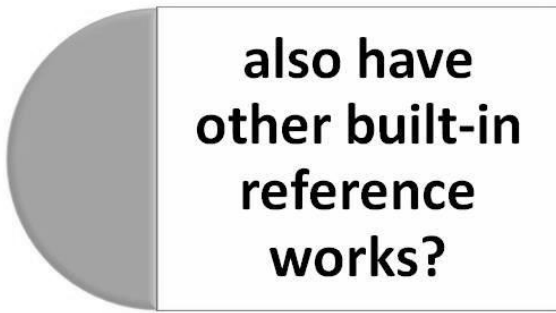

.  
.  
It does not matter that the King James Bible is old by our standards. It was arranged in such a way and was such a design that it can travel across the centuries and remain the Word of God in English.

Do you think that it is important that we can have a Bible that is called the Word of God?  
YES/NO

### Does the King James Bible

.  
.  
The King James Bible is a complete library. It contains within itself all reference works that we need to be able to fully understand what God the Father has to say to us through Jesus Christ his son.

Don't you think that it is a wonder that you can hold in your hand everything that God has to say to us contained in one precious book called the King James Bible? YES/NO

Let's PAUSE NOW

Go to your workbooks & fill them in up to this point

.  
.  
Don't forget, if your session allows it, to work with one another on your workbooks.
